

About the company

ADVI Group of Companies (www.advigroups.com), with nearly a decade of expertise across diverse ventures, excels in managing global enterprise systems and driving digital transformation. Through the Product Design and Development Cell, we deliver cutting-edge solutions, including advanced home automation, AI-powered surveillance systems, and contributions to the "Make in India" initiative with indigenous smart toys. ADVI empowers businesses by scaling agile digital solutions to achieve unparalleled performance and customer satisfaction. Their continuous improvement ethos is fueled by an always-on learning agenda, fostering innovation, expertise, and digital skill transfer through a robust innovation ecosystem. To keep pace with the competition and meet business needs, Information Technology (IT) infrastructure needs to be automated, flexible and scalable. Unfortunately, traditional IT Systems do not possess these qualities, thereby creating a challenging scenario for companies that want to stay competitive. On IT-SERVICES solutions lend customers in the IT and Engineering R&D business, the competitive advantage to stay relevant in the market and achieve business objectives consistently delivering a wide variety of end to end services.

Enterprises are leveraging the power of software to modernize their IT infrastructure to run operations with tranquility, drive extreme automation, re-imagine legacy business processes and remain agile through an ideal mix of on-premise infrastructure, public, private and hybrid clouds. All this, while proactively countering the growing security threat landscape and optimizing the cost of operations. We help you to explore a journey where the students are given a real time projects on the latest domains like AI/ML Development: Advanced AI and machine learning model creation, including GAI (Generative AI).Mojo and Go Programming: Expertise in high-performance programming languages for embedded systems.Kernel Programming & Embedded Systems: Deep knowledge in system-level programming and AI-based embedded computing. IoT & Robotics Design: Designing IoT-based systems and robotic solutions for smart applications. Digital Twin Technology: Development of virtual replicas of

physical systems for real-time monitoring and optimization. RUST Programming: Robust and secure coding practices for embedded systems using RUST.

AI Embedded Computing: Integration of AI models with embedded hardware like STM32 and NVIDIA Jetson Boards. Software Defined Vehicle (SDV) Development: Innovative solutions for the next generation of automotive systems.

We develop and continuously evaluate system so as to pursue quality in all our deliverable. At our team, we are completely dedicated to customer's requirement. Our products are designed and devoted to empower their competitive edge and help them succeed.

Key Note:

We provide internship on cutting-edge industrial technologies with a nominal charge of 1180 Rs per domain per student. After the successful completion of internship as per the academic schedule. The company will evaluate and recognize the best-performing student.

Benefits to the Students:

Value support mechanism

- Critical thinking and problem solving in implementation of algorithms.
- Project management on a turnkey basis.

Learn On-Line

MEMORANDUM OF UNDERSTANDING

Between

Learn Online (Technical and Placement Training Company), Kottigepalya

And

BCA Department, KLE Degree College, Nagarabhavi

Purpose

This Memorandum of Understanding (MOU) is entered into on this [Insert Date], by and between Learn Online, a Technical and Placement Training Company, and the BCA Department, KLE Degree College, Nagarabhavi. The purpose of this MOU is to establish a collaboration to provide technical training, placement assistance, and skill development to the BCA students of KLE Degree College.

Scope of Collaboration

The parties agree to collaborate in the following areas:

- 1. Technical Training:**
 - o Provide training in emerging technologies such as Data Science, Artificial Intelligence, Cloud Computing, Cybersecurity, Full Stack Development, and other relevant areas.
 - o Organize hands-on workshops, coding bootcamps, and certification programs for students.
- 2. Placement Training:**
 - o Conduct soft skills development sessions including communication skills, group discussions, and interview preparation.
 - o Facilitate mock interviews and aptitude tests to enhance employability.
- 3. Internship and Placement Assistance:**
 - o Provide assistance in securing internships and placements with reputed organizations.
 - o Share job opportunities and placement leads with eligible students.
- 4. Curriculum Enhancement:**
 - o Offer guidance to align the curriculum with industry standards and current trends.
 - o Provide insights and recommendations on elective courses and practical projects.
- 5. Faculty Development:**
 - o Organize specialized training programs for faculty members to keep them updated with the latest technologies and teaching methodologies.

Learn On-Line

Responsibilities of Learn Online

- Design and deliver customized training modules based on the specific needs of the students.
- Deploy experienced trainers and industry experts for delivering the sessions.
- Provide course materials, resources, and tools required for training.
- Issue certifications upon successful completion of training programs.
- Share periodic progress reports of students with the BCA department.

Responsibilities of KLE Degree College (BCA Department)

- Ensure active participation of students and faculty in the programs organized by Learn Online.
- Provide infrastructure such as classrooms, labs, and internet facilities required for the training sessions.
- Coordinate with students for smooth execution of workshops and training sessions.
- Facilitate access to student data for placement purposes, ensuring confidentiality and compliance with privacy laws.
- Monitor and evaluate the effectiveness of the training programs in consultation with Learn Online.

Financial Terms

- The financial terms for the training and placement programs shall be mutually agreed upon by both parties and outlined in separate annexures, if applicable.
- Any fees collected from students for specific programs will be managed transparently and accounted for by both parties.

Duration and Termination

- This MOU is effective from [February 2nd 2024] and shall remain in effect for a period of **three years**, unless terminated earlier by mutual consent.
- Either party may terminate this MOU by providing a **30-day written notice** to the other party, outlining the reasons for termination.

Learn On-Line Dispute Resolution

- Any disputes arising out of or in connection with this MOU shall be resolved amicably through mutual discussion.
- If unresolved, the dispute shall be referred to arbitration as per the applicable laws of India.

General Provisions

- This MOU does not create any legal or financial obligations beyond those explicitly stated herein.
- Modifications to this MOU must be made in writing and signed by authorized representatives of both parties.
- This MOU shall be governed by the laws of India.

KARNATAKA GOVT. PRINTING & STATIONERY WORKS, BANGALORE

BACKGROUND:

The provider is an established educational institution offering a variety of courses with the project called "KOUSHALYA", recognized for its commitment to quality education and expertise in course delivery within 30 hours. The recipient is also a reputable educational institution interested in expanding its offerings.

PURPOSE:

The parties hereby enter into this MOU to establish collaboration for the delivery of courses by the provider to the students of the Recipient, for a period of One year, commencing on 18th March 2024 to till 18th March 2025.

TERMS AND CONDITIONS:

- Course Offerings:** The Provider agrees to deliver the following courses to the students of the Recipient within 30 hrs
✓ Koushalya (Value added Course)
- Course Delivery:** The Provider will conduct the courses through Offline, utilizing its qualified faculty and established curriculum. The Recipient will provide necessary facilities to facilitate the delivery of courses.
- Schedule:** The Parties will collaborate to establish a mutually agreed-upon course schedule, including class timings and duration.
- Fees:** The fee structure for the courses will be determined by the Provider and agreed upon by recipient to pay a fee of Rs.1000/- per student for the course delivered. And Koushalya fee may adjust in future as per the future market price. And for any Customized courses apart from Koushalya, fee and duration will be revised.
- Intellectual Property:** The course materials and content provided by the Provider will remain the intellectual property of the Provider. The Recipient shall not reproduce, distribute, or use these materials for purposes other than the agreed-upon course delivery.
- Quality Assurance:** The Provider will ensure that the courses are delivered with a high standard of quality and in accordance with industry best practices.
- Confidentiality:** Both Parties agree to maintain the confidentiality of any sensitive information shared during the course of this collaboration.
- Evaluation and Certification:** The provider will conduct assessments and evaluations for students enrolled in the courses. Upon successful completion, students will receive certificates issued by the provider.
- Termination:** Either Party may terminate this MOU with a written notice of 30 days in the event of breach of terms or other justifiable reasons.

Note:

The number of students count for the course remains the same as discussed in the initial session, even if

- The students drop out after 2/3 classes.
- The number of students decreases in any criteria.

This Memorandum of Understanding is executed by the authorize representatives of the Parties as of the 18th March 2024.

GOAL

This Memorandum of Understanding (MoU) establishes a cooperative relationship between the **KLE Society's Degree College, Dept of Business Administration, Nagarbhavi, Bangalore** and **BUSINESS TOYS PVT. Ltd, Bengaluru**.

Under this MoU, KLE Degree College and Business Toys will establish mutually beneficial platform with the aim of enhancing Knowledge, Skill and Employability of BBA students of KLE Society's Degree College.

BACKGROUND

Department of Business Administration, KLE Society's Degree College, Nagarbhavi, Bangalore renowned for its activity based education techniques which excites the students to learn more apart from the classroom. Our BBA is designed towards experiential learning which helps in qualitative and quantitative development of students. It is an institution which is focused on value addition in terms of providing best of Infrastructure and Services for the cause of education.

BUSINESS TOYS Pvt Ltd

Business Toys Pvt. Ltd. is an Edu-Tech start-up founded in the year 2016. It focuses on enhancing online learning experience through Gamification. Business Toys offers Cloud-based learning platform to provide Training and Assessment services for skills like Business Analytics, Financial Analytics, Data Science, Big Data, Marketing Analytics Education, etc.

Department of Business Administration, KLE Society's Degree College and Business Toys shall be hereinafter being collectively referred to as "Parties" and individually as "Party". Both the parties wish to co-operate with each other as per the terms and conditions enumerated in this MoU.

NOW THEREFORE the parties set forth their preliminary understanding as follows:

1. SCOPE

1.1. The scope of this MoU is limited to the objectives mentioned here in below and to provide a framework of reference to build, enhance and to continue a strong and on-going relationship between KLE and Business Toys in various areas of mutual interest and benefit.

2. OBJECTIVES

Department of Business Administration, KLE Society's Degree College is constantly trying to reach higher standards in education and imparting necessary skill-set to students and also to establish a strong linkage with Industries, Leading Higher Educational Institutions, Professional Training Institutes, Government agencies and other institutes of repute, in order to bridge gap between the requirements of Industry and academia.

To enhancing the employability Skills of its students, Business Toys through its expertise and network will support to achieve the same with following initiatives and activities.

2.1 Develop content / curricula for any offered course.

2.2 Depute trainer / faculty for course delivery.

2.3 Provide their technical expertise to Department of Business Administration, KLE Society's Degree College as and when needed.

3. CO-ORDINATION

Department of Business Administration, KLE Society's Degree College and Business Toys will establish a Core Team/Committee. Both the Parties shall ensure that the Core Team/Committee comprises of appropriate personnel to discuss and implement the ideas. Each party will establish a single point of contact who will serve as the interface between the two organizations and for coordination.

4. RESPONSIBILITIES OF Department of Business Administration, KLE Society's Degree College

4.1. To provide necessary infrastructure with required amenities and a designated Faculty In-charge for facilitating the Course at any given point of time.

4.2. To identify and make available interested students internally or externally as desired by KLE to take up course as per requirements.

5. COMMERCIALS

5.1. The Parties to this MoU are not obligated towards the other to make any kind of monetary payment for the services availed.

- 5.2. The Parties to this MoU may conduct Workshop/Training or any other event which may incur monetary consideration, the terms of which may be agreed at the time of conducting the Workshop / Training or any other event.
- 5.3. The Parties may mutually agree to fix such fees/charges to be collected from the person enrolling for such event.

6. LIABILITY

- 6.1. The Parties to this Agreement shall not be liable for any direct, indirect, or consequential loss, damage, cost or expenses incurred, of any kind whatsoever.
- 6.2. The liability, if any arises, may become determinable as per the terms and conditions agreed upon by the Parties to this MoU.
- 6.3. The Parties to this MoU shall not incur any liability due to non-performance of any clause under this MoU.
- 6.4. The Parties to this MoU may, upon their discretion and upon the availability of resources, organize such event, as may be required.
- 6.5. Neither party shall become liable for not organizing any event, as per the terms mentioned in this MoU.

7. CONFIDENTIALITY AND DISPARAGEMENT

- 7.1. Neither Party shall, without the prior written consent of the other Party disclose to any third party the contents of this MoU or any information obtained by either Party in performance of or in connection with this MoU. The Parties agree to take all reasonable measures to maintain the confidentiality of all such Confidential Information which in no event will be less than the measures it uses to maintain the confidentiality of its own information of similar importance.
- 7.2. The Parties to this MoU shall not at any time, disclose to any third party, the contents of this MoU without the written permission of the other party.
- 7.3. The Parties to this MoU shall always maintain and uphold the reputation of the other party.
- 7.4. The Parties to this MoU shall refrain from making any comments or statements that could lead to maligning the reputation of the other party.
- 7.5. Both the Parties will enter into a separate non-Disclosure agreement to safeguard and protect each other's data and secrets.

8. TERMS AND TERMINATION

8.1. This MoU shall come into effect from 17th December 2021 and shall remain in effect for a period of Thirty-six (36) months, unless terminated earlier by the Parties. On mutual agreement after a period of thirty-six months, MoU can be further extended.

8.2. Either Party shall have the right to terminate this MoU by giving ninety (90) days prior written notice to the other Party after completion of one year.

9. IN WITNESS WHEREOF, each of Department of Business Administration, KLE Society's Degree College Bangalore and Business Toys Pvt Ltd, has caused this MoU to be signed and delivered by its duly authorized representative.

Training Service Agreement

This Agreement states the terms and conditions that govern this Service agreement between Skills Learn Academy at the registered address, #8, 2nd floor, 22nd main road, Banashankari stage 1, Bangalore - 560050, referred to as "Party A" and

Depart of ~~BBM~~ (hereinafter referred to as the "College Department") at KLE's Society's Degree College, at the registered address, Old Outer Ring Road, Opposite BDA Complex, Nagarbhavi 2nd Stage, Bangalore - 560072 as "Party B" preferred as Client who agrees to be bound by this Agreement.

(SkillsLearn and the Client are individually referred to as a "Party" and collectively as "Parties")

Now both parties mutually agree upon the following terms and Conditions

1. Purpose:

The purpose of this collaboration is to provide training services to college students to support the vision of Party B through Party A's expertise in conducting skills development training programs at clients' premises starting from 19th August 2024.

2. Scope of the Work

- Party A offers Training services by conducting learning workshops for all the graduate students of the college to Party B according to the terms and conditions mentioned.
- SLA Training Services involves:
 - Computer software Technical Skills, Accounting and HR additional Courses, Strategic management, Project Management, and Client/customer relationship management workshops.
 - Soft skills- More than 25 soft skills to improve communications and leadership skills
 - Preparation to Employment P2E program: Consists of 32 hr of Program for any stream of Students who are in the last 4 semesters of the Graduation/ Engineering/ Diploma.

a. Responsibilities of Party B during this contract period :

- The college assigns a program coordinator to enable smooth coordination between SkillsLearn and the student community
- Organizing and communicating the workshop timetable to Students categorically for all semester students
- Sharing the student details with SLA for training purposes
- Fee collection support and administration support to SLA
- Sharing the required classroom and computer lab for training purposes on a specific time slot or duration.

b. Responsibilities of Party A during this contract period:

- Training by an expert subject Trainer
- Conduct effective online/offline training for students for the respective course
- Customized modules & content relevant to the college department curriculum.
- Course Material in the form of PDF/PPT
- Course completion Certification for Participated Students
- The final report will be shared with college management.

3. Minimum Cost per minimum number of students' enrolment is required to start the Training Program. Hence the minimum number of participants required is 100 students for each level.
4. The number of batches per day will be decided according to the Total strength enrolment to the workshop
5. The academic trainer appointed by the service provider (Skills Learn Academy will coordinate with the program coordinator at the College for regular updates and program execution
6. The minimum fee is decided based on the Operational Cost incurred to offer each training program for the Students of the Institute(College) from the Service Provider. Every training program fee will change according to the duration and the content.

7. **Commercials:** As per the mutual understanding, Annexure 1 describes the workshop content and the service charges to Party B. Invoices will be billed in the name of the Party B address mentioned above with the actual service charges and the standard tax applicable as per the Govt. The payment must be received by Party B within 15 days from the date of the invoice. Payment is to be made in the name of " SkillsLearn Academy " As per the details furnished in the invoice.

II. Tenure & Termination:

- a. Either organization may terminate this agreement upon completion of the project duration by written notice without penalties or liabilities.
- b. This MOU is for 1 (one) year duration from the effective date of this agreement 19th August 2024 and may be extended upon written mutual consultation.
- c. The project completion date will be informed to Party A by Party B before 15 days and ensure the outstanding due clearance towards Party A's services

9. Indemnity:

- a. The Party A shall have liability and shall indemnify and keep Party B indemnified for any loss, liability, costs (including reasonable legal costs), damages, and expenses incurred by Party B, arising from any breach by the service of this Agreement and/or in connection with the provision of the Services hereunder, including, without limitation any negligent or reckless act, omission or default, fraud, misrepresentation, wilful misconduct or failure to comply with local laws.
- b. Settlement of Disputes: Neither Party shall be entitled to make any claim and or be liable to the other Party whether in tort (including negligence) contract or under any other legal theory except as specifically provided in this Agreement.
- c. No changes, amendments, modifications, or waiver of any of the terms and conditions hereof shall be valid, unless reduced to writing and signed by duly authorized representatives of both parties.

10. **Confidentiality:** Party B will maintain the confidentiality of this agreement until the end of the project date as mentioned in Clause 1

We both agree and execute the above understandings on the date mentioned.
