### SAFETY MEASURES

The safety measures outlined for laboratories are crucial for ensuring the well-being of students and staff while maintaining a safe and efficient working environment. Here's a breakdown of the key safety precautions mentioned:

#### Electrical Safety:

- **Leakage and Earthing Checks:** Ensuring the proper functioning of wiring and electrical installations helps prevent electrical hazards. Proper earthing safeguards against internal faults by directing excess electricity safely to the ground.
- **Miniature Circuit Breaker (MCB):** Provides protection in the event of a short circuit.
- **Earth Leakage Circuit Breaker (ELCB):** Prevents electrocution by detecting earth faults.
- **Fuses:** Protect electrical circuits from overcurrent, reducing the risk of fire or equipment damage.

#### Safety Protocols and Equipment:

- **Do's and Don'ts Displayed:** Clear safety guidelines are visible for all students to follow.
- **Technical Support Staff:** Regular monitoring by staff ensures adherence to safety protocols.
- **First Aid and Fire Extinguishers:** Readily available to deal with accidents or emergencies.
- **Protective Gear:** Students are required to wear lab aprons and shoes for personal protection.
- **Damaged Equipment Servicing:** Faulty equipment is repaired promptly to prevent accidents.
- **Clean and Systematic Laboratory Maintenance:** Ensures the laboratory is a safe, organized environment.

## Digital Security in Computer Labs:

- **Antivirus and Firewall Software:** PCs in CAD labs are protected from malware and cyber threats.
- **Restricted External Storage Devices:** Bans on pen drives, CDs, or other devices reduce the risk of virus infection and data theft.
- **No Electronic Gadgets:** Students are not allowed to bring cell phones or other gadgets into the lab, minimizing distractions and preventing misuse.

These measures collectively ensure a safe, productive, and secure environment for students and staff working in laboratories.

## SECURITY MEASURES

### College campus is under 24hours CCTV's surveillance:

PARTICULARS	NO OF CAMERAS
ADMIN BLOCK	10
CLASSROOMS	32
CORRIDORS	06
LABS	04
LIBRARY	02
GATES	04
OTHERS	10
