Compulsory Internship for all Final Year Students

Internships provide students with an opportunity to put into practice skills they have learned while in college. In addition, students should have an opportunity to enhance those skills, obtain the perspective of a work environment and benefit from a mentor or supervisor's experience and advice.

As per the NEP guidelines, Bangalore University has made internships compulsory for all students of 6th semester. The internship and viva carry 100 marks together and will be added to the academic scores of the students.

(enclosed is the Bangalore university 6th BBA and BCA syllabus)

Key Benefits of Internships for Students:

Being an intern offers college students numerous benefits while closing the gap between academic theories and real-world practices. These experiences are indispensable to personal and professional growth, providing a competitive edge in the job market and helping students make informed career decisions. Below are some of the core benefits of internships:

- Gain Practical Experience
- Enhance Skill Set
- Build Professional Network
- Improve Employability
- Explore Career Paths
- Earn Academic Credit
- Develop Professional Skills
- Financial Benefits
- Increase Self-Confidence

Benefits of internship to institutions:

- Build industrial relations
- Bridge gap between industry and academics
- Improve institutional credibility and bonding
- Helps in student retention
- Aids better teaching and pedagogy
- Facilitates better placements
- Builds strong collaborations
